Proposed that item 4b) Neighbourhood Plan, is brought forward to Public Time

1) **Public Time (Limited to 15 Minutes)** –

a) Neighbourhood Plan –

Cllr Mrs E Heaver confirmed that there were various issues raised at the Community Action Day some which will be contained in the Neighbourhood Plan and some issues which will be dealt with within the Parish Council.

Points Raised as follows -

Affordable Homes – states that they are 80% of the current market value. Once built they are rented out at 80% of the value of rents locally, they can also be rented out with a view to buy where part of the rent acts as a part mortgage. The government are currently doing a consultation on a new scheme for cheaper starter homes. Self build opportunities were also stated of interest to the Village.

Other points raised – Traffic, speeding – possibly a 20mph limit or zone, volume and parking, how community facilities may be developed, protecting the character of the village and the rural environment around the Parish, flooding issues in the Parish with the large amount of rainfall which we are currently receiving.

Funding will now be sought for the formulation of the Plan, printing costs and any other costs which will be incurred. Another steering group meeting will be held with parishioners welcome to join if they so wish, further details will be put on the website and around the village to advertise it.
