All Cllrs were in agreement that the Parish Council be on the Land Registry title, this will cost about £500 and once done will not need to be done again.
- b) Denbury Allotments – Mr J Peck reported that he met with Ann Marie Morris local MP who confirmed she had received a letter from the MOJ confirming the reasons why they were unable to grant a lease for the allotments. Ann Marie confirmed she would have one last go at getting them to change their mind. 3) Planning Applications Received from TDC –

Applications received from Teignbridge District Council

a) Application no 16/00002/FUL – Mr M Bickham – The Caravan, Cross Park Farm – Replacement dwelling. After the last meeting a site visit took place and comments from the Parish Council were as follows:-

1] A bona-fide topographical survey be provided as what has been submitted bears little resemblance to the profile & levels of the site. To properly indicate the boundaries, trees, hedges & all levels with a fixed Datum point. That the proposed plans indicate proposed new levels and elevations are shown in context to existing buildings, hedges and road level.

We were concerned that the application was validated without the required information which is clearly required.

2] That the design be reconsidered to reflect the shape of the site. That the building runs parallel with the road with a return toward the existing house where the site broadens. This would enable an improved amenity space and more space to adjoining properties.

3] Consideration be given to establishing suitable boundaries should the dwelling be sold.
